COUNCIL ACTS IN LATHAM CASE

Will Send An Attorney to
New York to Represent
The City.

WOOD & SON RETAINED.

Mayor Meacham and Councilmen Galbreath and Higgins Committee.

The city council met in special session Friday night to consider a request from the executors of the Latham will that the city of Hopkinstville advance \$2,500 to be used in defraying the expenses of the contest over the will. The council took no further action than to authorize the mayor to appoint two councilmen as a committee to act with him in the matter. Councilmen B. Galbreath and E. H. Higgins were appointed by Mayor Meacham and the city was authorized to send an attorney to New York, if thought advisable. The committee met Saturday night and retained Hon. H. Wood for this purpose. Mr. Wood will leave for New York tomorrow and will remain there until after the 18th, the date set for the hearing of the case. He will investigate the conditions as he finds them and upon the report made to the council by him, further steps will be taken.

In the court at New York Saturday Mrs. Latham's attorney moved for the appointment of a temporary administrator, and this motion will pass upon this week.

Mrs. Latham's attorneys claim that the estate is only worth about \$10,000 but the executors place the value as follows:

Stocks and bonds	\$125,000
East Stock Exchange	80,000
" Canton "	10,000
Good-will Latham, Alexander & Co	481,000
Total	696,000
To this may be added the following property in Hopkinstville, all conservatively estimated:	
Real Latham, part interest	\$35,000
Three houses and lots	10,000
Ice Park lot	10,000
Wheat	15,000
Urban track 18 acres	5,000
Real	75,000
Combined total	771,000

It is roughly estimated that the estate is worth at least \$750,000. The bequests in Hopkinstville aggregate \$186,000, including real estate given to the city worth \$25,000. The bequests amounted to \$124,000, leaving \$310,000 besides the \$210,000 given to Mrs. Latham and her child. On this basis the residue would be \$9,000, all of which would go to Mrs. Latham except the expenses incurred in the settlement of the estate.

EASY VICTORY OVER VISITORS

H. H. S. Mopped Up With
the Clarksville Team
Saturday.

BIG CROWD PRESENT.

Next Saturday They Expect
to Do the Same Thing to
Madisonville.

The Hopkinstville boys won easily from Clarksville Saturday by a score of 74 to 0. The Clarksville boys were every bit as large as our boys, but they did not play the game. Our boys know the game and play it, and their fast team work took Clarksville off their feet at the start. Hopkinstville secured a touch down on the second down, and from then on they seemed to make them at will. The team worked together, every man playing his position and doing his part.

The first half was a running match in which Clarksville lost. The ball was in Hopkinstville's possession most of the time, although they generally kicked to Clarksville, who would lose the ball on a fumble, or by not being able to make their yards, and then it was only a question as to who wanted to make this touch down. At the end of the first half the score stood 41 to 0.

The second half began in the same way. Hopkinstville kicked to Clarksville and then took the ball on downs and the same old story was told.

From the very start H. H. S. team was crippled. Charles Meacham, their left half-back, who has been out of the game for two weeks with a sprained ankle, was in the game for the first time this season, and while trying to run the ball through after a kick off, sprained his bad ankle and knee and went out of the game. The team was changed some then by Ralph Meacham taking his place in left half and J. Breathitt coming in to end. The first half was finished this way.

In the second half Ralph Meacham went back to end and Robert Stowe, took left half, and Jack Wilkinson went to full back and Albert Kelly, the regular right guard, went out and Oglesby Soyars took his place. In the middle of the last half Clem Armstrong went out Albert Brown took quarter back and began to plow through Clarksville by line bucks and the team with four subs in, went through Clarksville at the rate of a touch down every two minutes and the game ended 74 to 0.

The High School boys wish to thank the general public for the interest shown and they did not fail to notice that the business men were well represented. It was the largest and best crowd that has ever been seen at a foot ball game in Hopkinstville, and we wish to state that we
